PRESIDENT'S CORNER

Thank You, Steve

By the time this appears in our monthly newsletter, the funnel cake fund raiser will probably be history and Steve can go back to being a couch potato with no presidential or RibFest duties. He can just show up at our lunches and eat. I am looking forward to this life of luxury. Lion Steve, the club really appreciates your dedication and hard work to make this club so outstanding.

Our New Fiscal Year Budget

During this fiscal year, Lion Ken will replace me as the donation chair. While our new budget is initially \$10,000 lower than last year's, the budget committee initially set it up conservatively to account for potential weather issues that could impact funnel cake sales. I am quite confident that our other fundraisers will make up the possible slight

decrease in funds. The board decided to table a suggestion to increase our annual donation to Feed My Starving Children from \$5,000 to \$11,000. We will review this request in December, after we know our net income from fundraisers.

Summer Raffle Update

We have already completed the first month of the raffle sales and are ahead of last year by \$2,000 (\$6,400 current vs. \$4,400 at this time last year). If you wish to sell tickets at Ace Hardware North on Washington Street, call or email me for open slots on Saturdays or Sundays.

July Bake Sale at the band concert

We are scheduled, on July 27, to man the gazebo at the Naperville Municipal Band concert. Many thanks go to Lion Bob Hull for coordinating this effort. The National Charity League has volunteered to provide baked goods for sale at no cost to our club. In addition, Linda Villa from the National Federation for the Blind has volunteered to assist with baked goods. Volunteers will be

The Head Lion-er

needed to service that night and to provide baked goods.

As always,

Remember WE SERVE

Club News and Guest Speakers

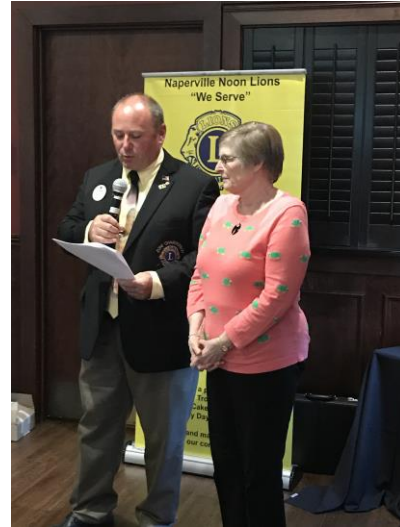

INSTALLATION DINNER

Our club held its annual Installation Dinner on June 20 at Clara's Restaurant in Woodridge. Dinner was excellent and everyone had a great time.

Our club collected household items for Families Helping Families. Two corners of the dining room were filled with donations. Vicky Joseph and her two children accepted the donations on behalf of Families Helping Families.

District 1-J Zone Chair Jim Kiser was on hand to induct the new officers and board members. Lions Donna Kearney, Bob Hull, Phil Barnum, Maria Wilson, Ken Strugalla, and Jim Ebers were inducted as board members. Lion Bill Bleecker was

inducted as club treasurer. Lion Jane Bowers was inducted as club secretary. Lion Jim Woodring was inducted as first vice president.

Lion Jim Kiser inducting Lion Linda Strugalla as new club president.

Lion Linda Strugalla was inducted as the new club president and gave a delightful, short speech filled with plenty of humor. She thanked Lion Steve Hertzberg for his service as president and took the time to give him a hard time for his dictatorial style of leadership during RibFest, as he has criticized her funnel cake whipped cream skills in the past. Lion Linda even brought props. She demonstrated her exceptional ability to apply whipped cream for Lion Steve and the whole group.

Lion Linda wanted to present Lion Steve with a plaque commemorating his service, but alas, the plaque was lost in the mail and she could only present him with a paper copy.

Lion Steve then took the microphone to give out some awards to club members. Lion Steve decided to mix

The Head Lion-er

it up and created some of his own “Achievement Awards.”

Lion Steve receives his “stand-in” plaque

The first award went to Lion Donna Kearney for her five years of dedicated service as head of the Turkey Trot. During her time, Turkey Trot has raised an astounding \$937,000.

Next, Lion Paul Rewerts was the recipient of the 10 year award for his 10 years of service as the social services chair. Under Lion Paul’s leadership, our club has donated \$448,000 in the last five years alone.

Lion Jane Bowers received the 15 year award for her work as the club secretary. Lion Jane works tirelessly in this position and has been continuously recognized as a District 1-J 100% secretary through her time.

Lion Steve presented Lion Bill Bleecker the Lion of the Year award for his 25 years as club treasurer. When presented the award, Lion Bill was literally speechless.

Lion Steve also presented the Melvin Jones Fellowship to Lion Chris Williams. This award was voted on

by the other 13 Melvin Jones Fellows in the club.

Luncheon Speakers

NORMAL MOMENTS

On June 6, Patricia Fragen was our speaker. Patricia founded her organization, Normal Moments, as a tribute to her daughter, who she lost to cancer.

When Patricia’s daughter, Melissa, was ill, she had a family friend named David. David helped the family during Melissa’s treatment by watching over and caring for their home. By taking care of these household tasks, David allowed Patricia to spend much more time with her sick daughter.

After Melissa passed away, Patricia wants to help other similar families. She started Normal Moments to help families with critically ill children. Volunteers in the program help families with tasks like house cleaning, lawn mowing, and meal preparation. The real gift the volunteers give is quality time for families to be together.

The organization is 100% volunteer-run. All volunteers are completely vetted with a background check and meetings with Patricia. Any

The Head Lion-er

fundraising goes to overhead costs and to pay for professional services when a volunteer is not available.

Most families are referred by social workers. Normal Moments does not restrict by diagnosis, the family is only required to have a child under 18. They serve all of northern Illinois and serve approximately 300 families at any one time.

NAPERVILLE AREA HUMANE SOCIETY

On June 13, Anna Payton was our speaker. Anna is the Executive Director of the Naperville Area Humane Society, which is a local non-profit.

The Naperville Area Humane Society is a limited admission shelter for dogs and cats. This means that they only take in the animal if there is space. They do not euthanize animals unless they are sick or dangerous.

Anna works with local animal control centers, which is where they get many of their animals. They also run an owner surrender program, but that has a wait list. They work with owners to help them keep their animals if possible.

They operate a Safe Pets Program for victims of domestic violence. They will take in pets so that a victim does not feel tied to the house where the abuser lives. This is especially helpful because shelters usually do not allow pets and abusers use the pets as a pawn.

They have started a Positive Future Program with the Warrenville Juvenile Detention Center. The Humane Society brings dogs in for the kids to train. It helps the kids learn about positive reinforcement and provides a sense of achievement. This also helps the dogs as they become more adoptable once trained.

Anna told us that they have stopped labeling breeds because it is impossible to be 100% accurate without a DNA test. The animals are vaccinated, spayed/neutered, and micro-chipped before being placed for adoption. Through the assistance of 500 volunteers, they are able to help 700 animals per year.
