Annual Summer Raffle

As we approach our raffle drawing on September 3, it certainly looks like Lion Steve Hertzberg's team of "Hackers" is going to win the friendly competition versus Lion Bill Bleecker's "Bombers" for the Ollie Burrows Cup. Since the club initiated this team competition in 2011, the Bombers have dominated the raffle sales by winning THE CUP four of the last 6 years. Condolences to Lion Bleecker; I am sure that Lion Steve will keep reminding Lion Bill all winter long how badly his team was trounced this year.

Comfort Toys

Linda and I have been volunteering as ushers at the Paramount Theatre for the past ten years. One of our fellow volunteers, Peg Yatcham, heard about our Lions Comfort Toys program at Edward Hospital and said she would like to help us out. During

the past several months, she has made 7 blankets, 58 pillowcases, and several dozen plush toys, all of which have super heroes or Disney patterns. She is not done; she is now working on donations for Halloween and Christmas.

We originally started this program in 2014 when Karen Butz and her sister, founders of KaLaCares, partnered with the Lions to donate many, many handmade decorated pillowcases and comfort toys for the Pediatric Unit at Edward Hospital. These are some really great people who work behind the scenes to help others.

**ADOPT-A-HIGHWAY**

Our club completed the third trash pickup of 2019 on August 3. Lions Ken Strugalla, Linda Strugalla, Jim Woodring, Bill Bleecker, Jim Ebers and Glen Behnke volunteered along with Paul and Jackie Rewerts. They picked up several bags of trash and were done within 90 minutes.

Thank you to those who helped to beautify that stretch of Plainfield-Naperville Road. The next and final trash pickup for the year is scheduled for October 5.

**VISIT TO CAMP LIONS**

Lion Jim Woodring and his wife, Linda, visited Camp Lions in Dixon on June 28. Lion Jim provided our club with a short slideshow and presentation about their visit at our August 27 meeting.

Camp Lions for Northern Illinois was held at Camp Reynoldswood in Dixon this year. Lions of Illinois leases the camp for the week and allows children ages 7-17 enjoy a summer camp experience.

The camp can sleep about 200 people. There were many different activities available for the children and a nice dining area. Lion Jim said that various Lions Clubs will bring gifts for the campers and provide barbeque lunches. He said that the camp was staffed by well-trained counselors and that when this week was finished, they loaded

up and moved onto a different camp and a whole new set of kids.

Thank you for representing us at Camp Lions and for the presentation, Lion Jim.

**EYEGLASS COLLECTION LOCATIONS**

Our club is currently working to update all of our community eyeglass collection locations. If you make regular pickups at any location, please notify Lion Chris Williams so that the list can be up to date and accurate.

**NAPERVILLE COMMUNITY RADIO WATCH**

On August 6, Dan Bulley was our guest speaker from Naperville Community Radio Watch. Dan has worked with Lion Jim Woodring and his wife Linda through Community Radio Watch.

Naperville Community Radio Watch (CRW) was started in 1982 by a group of Naperville residents who drove around the neighborhood and reported activity on their CB radios. It was eventually recognized and adopted by the police department and they are now outfitted with the same radios as police officers.

## *The* **Head Lion-er**

Former Mayor Pradel recognized the CRW with badges.

CRW members do not have any police powers or authority. They also carry no weapons. They travel around during patrols in their personal vehicles and wear street clothes. They serve essentially as the eyes and ears of the police department.

CRW members are trained to recognize problems and things/people that do not belong. If they notice something irregular, they radio it into the police department who can then come out and investigate. Sometimes the mere presence of CRW members in a given area will cause problem starters to leave.

Anyone is welcome to come to a CRW meeting which occur on the first Thursday of every month at the police department.

### **LOAVES & FISHES**

Our club visited Loaves & Fishes on August 13 and were given a tour and information by Eric Gardner. Eric informed our group that Loaves & Fishes is working to expand its focus to providing healthier foods. They are also working to promote self-sufficiency with their various social services and Cares programs.

We were given a tour of the facility which is rather impressive. The food distribution area is set up similarly to a grocery store and families are able to select from a variety of items in

different categories. The entire building was staffed by dozens of volunteers who were helping in all areas.

Loaves & Fishes had 100,000 hours donated by 1,435 volunteers last year. That is the equivalent of 50 full-time employees. Their annual budget is \$14 million, but this includes approximately \$12 million in in-kind donations, like food. The vast majority of their funding comes from individuals and groups. They receive funding from county and city taxes, but nothing from the state or federal government.

### **PROJECT C.U.R.E.**

Beth Rottman from Project C.U.R.E. was our guest speaker on August 20. Project C.U.R.E. is an organization that collects and ships excess medical supplies to those in need overseas. They are headquartered in Denver, but have six warehouses throughout the country, including one in Woodridge.

The supplies that Project C.U.R.E. collects are all donated. These donations come from manufacturers who have excess product or medical providers who are upgrading or no longer need certain equipment. Their warehouses are stocked with these items.

Prior to donating, a group travels to the destination to survey the needs of the country. They ensure that the supplies are needed and can be utilized. When ready, the supplies are packed into 40-foot medical containers. Each container contains

*The Head Lion-er*

\$350,000-\$500,000 worth of supplies and costs \$25,000 to ship.

The organization is run almost entirely by volunteers. Last year, 35,000 volunteers donated their time. The volunteers keep the warehouses organized by sorting items. They also help pack the shipping containers.

The organization's funding comes from individual donors and organizations/corporations. They have recently employed someone to apply for grants to secure federal funding.
