

The HEAD LION-ER

August 2006

The sole meaning of life is to serve humanity.

PRESIDENT'S CORNER

I want to thank all officers, board members, committee chairmen and others who work so hard to make the Naperville Noon Lions successful. There are many members who work behind the scenes as well as some members who have more high profile jobs that should be proud of what they do and who contribute to our success. As a relatively new member, I am continually learning about the workings of our club.

I will do my best to help keep up the tradition of those who have served before me.

Last year, we helped over 200 people hear and see better at a cost of around \$45,000. At the same time, we donated around \$55,000 to support other worthwhile organizations that help people in Naperville. Let all of us renew our efforts to raise funds so that our Naperville Noon Lions can continue to do this good work.

"WE SERVE". (Lion Paul Rewerts)
